Manager, Product Design
CloudPay
SG | May 2024 - Present

Oversees the strategic direction and execution of the design process, ensuring alignment with company goals and user needs.
I supervise the design development of 6 UX designers across 6 product areas within CloudPay, driving development of CloudPay Design System and delivering user-centric solutions. Mentor the team to foster professional growth and ensure consistency and excellence across all product areas.

Senior UX Designer
CloudPay
SG | Sep 2021 – Apr 2024

Lead end-to-end product design, ensuring alignment with company goals and user-centricity. Mentor agile teams and oversee 3 UX professionals across multiple projects.

UX Product Owner
CloudPay
SG | Jan 2019 – Fe 2021

As UX Product Owner, **led stakeholder and development team collaboration to design and implement new features** for the Payroll Calendar app, aligning with business requirements and user needs. Managed a team of 4 Developers and 4 QA Engineers while revitalising UX solutions for CloudPay applications across diverse product lines.

Latest product: Global Payroll Calendar creation online / **calendar.cloudpay.net**

UX/UI Designer
CloudPay
SG | Dec 2016 – Dec 2018

Led cross-functional **collaborations to deliver diverse product features** across global teams. Enhanced the UX of CloudPay applications with comprehensive solutions. Worked with multiple agile teams to design, develop, and deliver products aligned with company goals.

Product Launch: CloudPay Single-Sign-On experience / **account.cloudpay.net**

UX/UI Designer
Albelli
NL | Jan 2015 – Nov 2016

Worked in a startup environment, **conducting UX design and research** for a photo app. Contributed user stories and designs to meet business objectives, resulting in a successful launch with smooth user retention and onboarding.

Product launch: Cloud based photo organiser / **Minnebanken.no**

Lead Designer
Singapore Post
SG | Jan 2014 – Nov 2014

As the design lead in the Digital Mail department, I **contributed UX solutions across departments**. I designed Project SAM's kiosk, web, and mobile app UX/UI, and worked on POPStation's UX/UI. I also helped modernize SingPost's Network & Retail.

Product launch: The NEW SAM / **SingPost Automated Machine**

Senior Designer
Vistaprint
SG | Jan 2013 – Dec 2013

I was part of a lean development team, designing web and mobile apps and their marketing content. I conducted UX and user persona research for APAC users and helped deliver successful rapid prototypes (POC) in a few sprints. I also supported the marketing teams with creative materials.

Product in-development: Ideation and prototype of **Minnebanken.no (POC)**

Senior Web Designer
YellowCube SG | 2010 – 2012

Jr. - Sr. Designer
Above1 SG | 2007 – 2010

My journey began by designing web and mobile apps for clients, adhering to branding guidelines and creating new designs. I handled UX/UI for web apps, mobile apps, microsites, and admin tool pages. I collaborated with Project Managers, Developers, and junior Designers to brainstorm and pitch projects.
